USS WILLIAM M. WOOD (DD 715/DDR 715) ASSOCIATION

www.dd715.org

March 2010

Dear Shipmates,

As we left Ft. Mitchell, Kentucky after the 13th annual reunion was over I couldn't help wondering how many new faces I had seen and how many I got to meet again. I guess it is great to get older and hopefully wiser with a bunch of shipmates who have one thing in common. The Willy Wood is still alive and well in many hearts and minds of these sailors.

I brought David Glasgow 62-64 EngO with me to this reunion. It was his first association reunion and the look on his face to see so many from his time on the Wood. The stories started flying and it was like 'ole' home week for him. Glad to make you smile Dave.

Many thanks to Ferdinand (Fuzzy) and Carole Bartels for their splendid job of hosting and all of the venues including the bands at the dinners and the magician. It was good to see him perform and include many members in his show. (I never hid that card in my pocket as many had assumed and he still figured it out.) (You had to be there)

The memorial service at the Peace Bell with the personal military touches was an inspiring sight. When that bell was rung Bill Patten and I were "gonged" We never knew what hit us.

I'd like to thank Bill Patten for his security help and at the memorial service. Bobby Brown, what a wonderful guy to bring the "fireworks". The Shore Patrol never knew what hit em. hehe Once a sailor, always a sailor.

I'd like to thank Russ Gausman and his dad Ken for bringing the model of the USS William Wood to the reunion. I know it is a big thing to haul many miles from home but that is just the way the Wood Sailors are. The dance floor was full of dancing sailors and their ladies. Good to know we still have it in us. Hell, I even saw sailors dancing on stage. No bouncers to kick them off.

The halftime guitar player (Carole's grandson) was something else. I think we saw the next American Idol. What a halftime show he performed. I hope you got all the words to those songs.

Good to see Bob Zapf again even if it was for a short time. It's good to see shipmates for a bit even if they stop in for a day and can't stay the entire reunion.

It was a pleasure to work with an organized Wood team. Remember to visit the www.dd715.org internet site to see many of the pictures taken and shared for your interest. Special thanks to shipmate Jeff Siconolfi, our Webmaster, for keeping the www.dd715.org website updated during the year and everyone informed of the Wood's activities. Be sure to change your bookmarks to www.dd715.org to reflect the change in the website address from the previous dot.com address.

Our visit to Wright Patterson Air Force Base was really special as we got to see the special access to the Presidential airplanes used by all presidents from FDR to Bush. It is amazing when I also got to see the experimental planes of the past and present. It's a wonder they can get those things in the air.

We also had lunch at the Hofbrauhaus. Only 3 in the world I think and the Reuben and beer were especially satisfying as always. We even cracked a mug bottom off and spilled beer all over the place. I guess they are used to that at the Hofbrauhaus.

I'd like to thank the many ladies that assisted with the Drawing and raffle. What a wonderful event this has proven to be. Thanks Luke (Metrus Messina's grandson) for helping draw the tickets. He should be a regular or at least an honorary Wood member. We even added a bidding auction for some items that were donated. I'm sure that picture is in an honored place and the Navy Midshipmen jacket is worn by that grandson Bobby Brown.

I'd also like to thank Lisa Tracy, the great great granddaughter of William M Wood who attended the Reunion, and also helped Carole out. I personally had a chance to chat with her during the Saturday dinner. She is a super lady and I'm glad to have met her.

As we look forward to the 14th Annual Reunion in Virginia Beach in Oct 14-17, 2010. I hope many that had attended past reunions will return and make this one a large gathering.

I would also like to thank Anthony Caminiti for getting the ball rolling on the 15th Annual reunion in Mobile Alabama in 2011. Wow, where does all the time go so fast.

Hopefully the economy improves and finances are a lot better for all for these next 2 reunions.

Special thanks to Lynn and Kathy Lansberry for donating the models of Wood DDR and DD to the Wood Association. These ships are sure to impress many at future reunions. Unfortunately, Lynn became very ill and cancelled his attendance at the reunion, and I'm sad to report that he made his final cruise in February. He will be missed but the Wood models he and Kathy donated to the Wood Association will provide him with a lasting legacy in the hearts of Wood shipmates.

Special thanks to Charlie Moores for selling the many items from the ships store. I and many others personally missed Charlie at this year's reunion but there are many items for sale in the Ship's Store. Feel free to get on the www.dd715.org Wood website and order from the store any items you need as Charlie has it all stocked up again.

SNEAK PREVIEW, WOOD REUNION VA. BEACH, OCT. 14-17, 2010

Looking ahead, thought you'd like to know what's in store for us in 2010! Since our last visit to Virginia Beach, we've added almost 500 to our number and within 500 miles there are over 800 shipmates, including 50 locally (within 50 miles)!

Our founder, Membership Director and Trustee Chuck Traub (CO 70-71) is the 2010 reunion chair and is looking for "volunteers" to join the 2010 Reunion Committee. Don't all flood Chuck with calls at one time, but if you can lend a helping hand, contact Chuck at 757-580-9056. Chuck has locked in a 99 room all oceanfront AAA two diamond hotel (Surfside Oceanfront) locally owned and operated. The incredibly low rate is \$54/night, \$62.02 inclusive, with continental breakfast. Excellent comp hospitality and banquet room. We're shooting for 100 shipmate attendance. You don't want to miss this one. See www.virginiabeachsurfside.com

Some ideas being considered:

- A ship visit to one of the new Aegis class destroyers, subject to availability and security condition in effect and a "windshield" bus tour of the Norfolk Naval Base.
- Norfolk harbor tour and lunch, going by the piers and ships
- A golf outing for those interested. A few miles from the hotel.
- Ocean fishing, either head boat or charter, on your own. (OYO)
- Visit to the Cayce Association for Research and Enlightenment
- Shopping for the ladies Lynnhaven Mall (6 miles), McArthur Mall Norfolk (16 miles) OYO.
- Tour of colonial Williamsburg, OYO or by bus if enough interest

Please mark your calendars and contact the Surfside Inn for room reservations (1-800-437-2497). Full reunion information and registration forms will be mailed to you separately later this year, well in time for registering for the reunion.

Ft. Mitchell Business Meeting Highlights (See enclosed meeting minutes)

The following shipmates were elected as the Association's Officers for 2010

President: John "Dizzy" Dzubak (5th term – 9 reunions attended)

I joined the Navy right out of High School. Did my basic training at The Great Lakes Naval Training Center and matriculated immediately to "A" school for MM. Arrived on board the Wood February, 1966 and loved it so much that they had to push me off in February, 1969. In 1969, I was employed by PPG and at the same time I earned my BA from California, PA. When PPG moved to Canada in 1994 I went back to school and earned a degree in Computer Science. Currently I am a computer IT for a law firm in Pittsburgh, PA. I have a son and daughter from a 1st marriage and a daughter from a 2nd marriage. At this time I am single and the daughter is off to pre vet school in Findley Ohio. My hobbies are playing the guitar and stamp and silver collecting and I am enjoying my retirement but the days seem to go faster when you retire. Hummm to all that.

Vice President: Jerry L. Chapman (5th term – 4 reunions attended)

After completing High School in 1970, I joined the Navy. Finishing boot camp, I attended RM school. My 1st ship was the USS Noa. DD841, boarding in 1971. But in 1972 I was drafted, in the 1st round, by the Wood team, Atlantic Division, USA Professional League. With the Wood team in 1972, we left for Greece and in 1974 I was transferred to the transmitter site in Annapolis, MD. From 1974 to 1976 I worked in VLF communications for Subs. The transmitter was so large that I could stand up inside. I was amazed the entire time I was stationed there. I left the service as a RM2 and found employment at a 9-1-1 center. And I am still there, almost 30 years later. Should write a book! In 1978 I married Nancy and we have 3 children, 1 married, 2 granddaughters, 3 dogs, and 1 cat. My hobbies are Ham radio and camping. I am also a member of the American Legion and my local Civil Defense Unit.

Secretary Jim Thomas (5th term – 8 reunions attended)

My active duty started in September 1968, reporting to the US Naval Training Center located at Great Lakes. Prior to active sea duty in September 1969, I attended BE&E “B” school at NTC Great Lakes, Radioman “A” school in Bainbridge, MD, and Advanced Morse Code School Norva. Served on the Wood until August 1972 and was discharged from active duty as RM2. I was fortunate to have two Med. Cruises, one in 1970 and one in 1971. I completed my under-graduate studies at LaSalle University, Philadelphia, PA. Earning a B.S. in Accounting, I passed my CPA in 1975 and I am currently Senior Vice President of Product Management and employed by First Mercury Financial Corporation, Southfield, MI. Originally a native of Philadelphia, I am now a resident of Michigan. I married Jennie Phipps of Dayton, OH and Moorestown, NJ. We have four sons; ages 23-29. My hobbies are fishing, boating, golf, and attending auto races.

Treasurer: Dave Lauten (1st Term – 2 reunions attended)

Born in Newport News Virginia and lived in Hampton Virginia. Dad worked at NASA his entire career. Mom worked at the library at the Navy hospital which is now the CINCLANTFLT compound. Moved to Houston Texas when the NASA lab opened south of Houston. I always say I was born in Virginia and raised in Texas. After finishing all the schools in Houston enlisted in the Navy March 1974. Boot camp, Radioman A school, Morse code school and tech control school all done at Naval Training Center / Service School Command San Diego CA. Then the fun begins. Report to CINCLANT Norfolk VA 1st Div to await arrival of USS William M Wood. Rehad BEQ's and other units while in 1st Div. Commands. USS William M Wood DD-715 OC Div; NAVCOMSTA Iceland, ASCOM, Anti Submarine Warfare P-3 Comms; NAVCOMSTA Balboa Canal Zone Panama OC Div; USS Dwight D Eisenhower CVN-69 OC Div Tech Control; NAVCOMSTA Diego Garcia Indian Ocean OC Div Tech Control; Ocean Systems Atlantic CINCLANTFLT Norfolk VA OC Div; USS LA More County LST 1154 OC Div; USS Mobile LKA-115 OC Div; Navy Marine Corp Reserve Center Houston Texas 1st Div. Of all the commands USS Eisenhower and NAVCOMSTA Diego Garcia are the only ones that have not been decommissioned. Retired after 20 years. Did contract work for UPS instructing the people how to handle the boxes and pack the trucks. Now I know why they always were crushed. Did QC and test tech for company that made circuit boards for voting machines, IR sensor, 18 wheel satellite tracking systems.

Was asked by long time friend to work in admin dept of software company that makes and supports software for HUD properties, am still there enjoying the easy life of pushing papers along the same lines as the last couple of years in the Navy. But I am always keeping my eye on a way to get back out to sea. When time permits try to get some scuba diving in or sailing in the Gulf or short weekend getaway trips. And trying school for an engineering degree.

Chaplain: Metrus Messina (2nd Term – 2 reunions attended)

I joined the Navy as a high school grad. Took boot camp at Great Lakes in the Winter of 1960. I finished “A” school for IC in the Spring of 1961. I arrived aboard the Wood in June of 1961. I was onboard for 3 years. In that time we made 3 Gitmo cruises, 2 Med cruises and chased Russian subs in the Cuban Missile Crises. We also sent a terrorist stolen freighter back to Brazil. I took a lot of college courses while onboard. Hope to finish one day for a degree. I make my living by owning and operating a small electrical supply company. I am married and have 3 daughters and 3 grandchildren. My hobby for many years has been constructing very large radio control aircraft. I am also part of a group that drag race professionally. Pittsburgh was my first reunion. It is my pleasure to be your Chaplain.

Annual Dues

Once again it is that time of year when we ask that you continue your generosity in supporting the Wood Association (a tax exempt non profit 501 c19 veterans organization) by your contribution of annual dues of \$10.00. **Your checks should be made out to the Wood Association and sent to David Lauten, Treasurer, USS William M Wood Association, P.O. Box 2194, Sugar Land, Texas, 77487. David’s phone number is 713-729-4663, and his email address is dhlrmeusn@sbcglobal.net.** When you send in your dues payment, if you pay for more than one year, please tell David which years you want credited. Your annual dues contributions keep the Willy Wood underway, steaming to new ports each year for reunions as well as providing information to shipmates re activities and whereabouts of shipmates on our roster. In addition, contribution of dues makes you an “Active” member of the Association, entitling you to receive the annual printed roster of over 1,600 living shipmates contact information, and entitles you to participate in the annual business meetings, running for office, and voting at the annual business meeting. If you have not yet become an “Active” Wood Association member, please do so by sending in your dues contribution. We look forward to seeing you at future reunions and thank you for your generosity.

We have enclosed a schedule of dues status for the 422 current “Active” shipmates who have been making dues contributions in recent years. This schedule reflects what is in our records regarding recent dues contributions from you. The schedule shows names in alpha order and the year your dues are paid up through. If you have contributed through 2007 and not for 2008, you will be an “Active” until September 2010, at which time you will be dropped from “Active” status if we do not receive another contribution from you before September. Our policy is to keep shipmates “Active” for 3 years from the last year of a dues contribution, as some shipmates send in multiple year’s contributions and then no contribution for a few years, and then send in multiple years again, etc.

If your name does not appear on the schedule, it means we have no record of any dues contribution from you since 2006 or prior, and you are no longer an “Active” or perhaps you have never been a dues paying “Active” member. We do not show the names of shipmates who have dropped from the “Active” rolls or who have yet to become “Actives”. If you have been dropped because of no dues payments since 2006 or before, you can be reinstated as an “Active” simply by making a dues payment. We would love to have you back aboard.

Hoping to see and speak to as many of you as possible at the Oct 14-17 Virginia Beach Reunion.

Best Regards,

John (Dizzy) Dzubak
President
USS William M Wood Association (DD/DDR-715)
